In December 1951, [] presented a claim against the United States for the loss of personal property incurred by several former Foreign Office cryptographic and cryptanalytic personalities when they were moved from Berlin to Burgscheidungen and later to Marburg. A letter from ASAE to the Chief, ASA,³ forwarding this list of claimants, stated that "the Judge Advocate General, European Command, in replying to [] latest request in settlement of the group's claim, will disclaim any responsibility on the part of the United States, primarily because the loss of property was incurred when the group was moved from Berlin to Burgscheidungen. This move was made by the [] Government."
