**TO:** Chief, Army Security Agency, Europe

1. Receipt of the above mentioned copy is acknowledged and is much appreciated.

2. It appears that the 10 March 1954 issue is a continuation of an article which appeared perhaps in the February 1954 issue, since the March installment is marked "Arabic Figure II, Continued"; also that same installment says at the end "To be Continued". It would be desirable to have the whole series if possible.

**FOR THE DIRECTOR:**
