Call Fisher re Budget

24 Feb - Phoned Fisher. He'd talked with Walter Lees, who had talked with some high level official in Budget. Lee's advice - take the pressure off Hydos. Get them alone for 30 days. Might get favorable action out of Budget.

2<sup>30</sup> pm Fisher phoned to say he'd had word from Pentagon that the Def Dept had just sent the papers back to Judiciary Committee - including Budget Bureau action (which was same as last time)
