Dear Garnet:

Mr. Friedman has asked me to write you to see if you would be so kind as to check on a few items for him. First I want to tell you that the woolen steamer rug arrived last week and both he and Mrs. Friedman are very pleased with it. Will you please relay this to the man next door.

Mr. Friedman hopes that you will let him know just as soon as you put the gloves in the mail but he assumes that they haven't arrived as yet because he has received no notification here. Also could you check on the 400-day clock, which he assumed was shipped before he left England, but to date he has heard nothing about it.

Would you be good enough to call Troughton and Young Ltd, Showrooms, 143, Knightsbridge, S.W. 1 and ask a Miss Hilyard about the two lamps which he bought on the 5th of March. Description on the sales slip is "2FV3/S. -- priced at five pounds five shillings." They had to be modified for American sockets. Could you please find out if they have been shipped and when, and if not, when shipment may be expected.

Mr. Friedman returned home from the hospital on Monday, 2 May, and finds that he is much more comfortable. He is progressing very well and hopes to be back to work by the end of this month.

Any information that you can give Mr. Friedman about the items listed above will be very much appreciated.

Sincerely yours,

KAY NOXTINE  
Secretary
