M/R: Arrangements are being made to assemble technical support personnel from RADE, ANEQ, and COSA to be available to assist the above individuals as required during the course of the Ad Hoc Group's work. DIR/PROD originally requested representation on the Group believing it was concerning "direct support" ELINT, and Mr. Kirby was selected as alternate. PROD withdrew request for membership when the purpose was clarified. Coordinated with PROD-04 (Mr. Kirby) and COSA (Mr. Conley).
