MEMORANDUM FOR THE EXECUTIVE SECRETARY, USCIB

SUBJECT: Visits to GCHQ

1. It is requested that the following information be provided to the Members of USCIB:

a. SUSLO, London, has informed this Agency that a sweeping reorganization of GCHQ will be effected during the month of November. At the same time, parts of four departments (those currently labelled H, S, T, and Z) will be moving to new quarters.

b. Since the dislocation will be considerable, SUSLO, London, has requested that visits to GCHQ, particularly those to branch head level or above, be severely restricted during the month of November, and postponed whenever possible.

2. Whenever a visit cannot be postponed, it is requested that this Agency be informed at the earliest possible date of the tentative date and purpose of the proposed visit, so that SUSLO, London, may be queried immediately concerning the feasibility of the visit.
