SUBJECT: Letter of Appreciation

TO: Mr. William F. Friedman
Armed Forces Security Agency
Washington 25, D. C.

1. I will on January 15, 1952, terminate my assignment as Deputy Chief of Staff, Security of this Service. Although remaining with Air Force Security Service, I will not be connected with the Communications Security functions.

2. I wish to take this opportunity to express my personal appreciation to you for your invaluable assistance in making possible the outstanding successes that we have had in the past two years. You have always willingly supplied us with background information with which to solve the multitudinous problem with which we have been confronted. With your assistance we have brought to fruition an expanded Communications Security program to better serve the requirement for secure Air Force communications.

3. I hope that we may continue to retain the close personal friendship which we have built. I wish you every success in your career in the years to come and am looking forward to seeing you in March.
