TO: Mr. William F. Friedman, Armed Forces Security Agency,
Washington 25, D.C.

1. It is the responsibility of the Armed Forces Security Agency to assist the Services in their cryptologic efforts, and one excellent means consists in furnishing experienced and authoritative lecturers from AFSA. Your broad background and rich experiences in over three decades in cryptology, coupled with your extraordinary talents in this field, make you uniquely qualified as a lecturer and brings credit both to you and to the Armed Forces Security Agency.

2. I therefore take pleasure in forwarding this correspondence from General Lynn.
