REMARKS

As I understand the case, AFSA-254 is preparing for the USCIB Intelligence Committee, a number of reports on crypt potential of various countries. AFSA-254 has prepared one on RU.

*It is not necessary, therefore,*

for Miller, and that  
this study be made, but it  
might be advisable to  
put all we know about RU  
between two covers - that is,  
in a single document. I  
don't think that has been  
done as yet.
