IN TURN

1. AS-22 AS-80 10 Feb 48

Request for Approval

1. It is requested that the inclosed proposed document, "Instructions for Use of Numerical One-Time Pads for Project FITZWILLIAM" (short title: SIGFBW-1) be approved for publication as a Department of the Army registered document.

2. The document contains instructions for using the numerical one-time pad system which is being supplied to the Department of the Air Force for use in Project "FITZWILLIAM."

3. Coordination with the Air Force has been conducted on an informal basis.
