MEMORANDUM for the Under Secretary of War.

Subject: Certificates.

The attached certificates, designed to bring the patent applications of the following within the provisions of the act of March 3, 1883, as amended by the act of April 30, 1928, are correct in form and it is recommended that the same be signed:

William F. Friedman - System for Enciphering Facsimile  
Joseph J. Malin - Method and Means for Determining  
Horizontal Range and Altitude  
Joseph O. Mauborgne and William F. Friedman - System  
for Enciphering Facsimile

For The Judge Advocate General:

Francis H. Vanderwerker,  
Colonel, J.A.G.D.,  
Chief, Patents Division

Incls.-  
3 Certificates
