1. This form is to be used only for orders, the costs of which are to be charged against your Patent Office Deposit Account. IT MUST NOT BE USED FOR orders when payment is made by cash, checks, or coupons.
2. Use a separate form for each type of service ordered as follows:

The use of separate forms for each type of service will result in better service to you and will also aid in the identification of the charges appearing on your Monthly Statement of Account.

Please restrict the order number to not more than five digits and do not use alphabetic suffixes or prefixes. The use of the order number is very important as it will serve as the means for identifying your order with the work performed and the related charge on your Monthly Statement.
