

TO THE COMMISSIONER OF PATENTS:

I hereby certify that the invention of William F. Friedman, employee of the Government, relating to a new and useful improvement in Electric Cryptographic Devices, as set forth in the accompanying application for Letters Patent, is liable to be used in the public interest, and I consider the said invention to be one that comes within the purview of the Act of March 3, 1883, as amended by the Act of April 30, 1928.

By direction of the Secretary of War.

Frank W. Bullock,  
Lieut. Col., Signal Corps,  
Assistant to the Director of  
Purchases and Contracts.
