

DEPARTMENT OF STATE
WASHINGTON

October 29, 1931

The Honorable
The Secretary of War.

Sir:

C
Through the courtesy of the International Telephone and Telegraph Company the cipher writing machine developed by that concern has been installed and is now being demonstrated in the Division of Communications and Records of the Department of State.

It is desired to give this device a thorough examination and test, and in carrying out this plan the Department would greatly appreciate having the benefit of the advice and assistance of Mr. W. F. Friedman, Cryptanalyst in the Office of the Chief of the Signal Corps.

It would be very much appreciated, therefore, if your Department could find it possible to authorize Mr. Friedman to cooperate with the officials of this Department in this matter.

Very truly yours,

For the Secretary of State:

(signed) W. N. Castle,
Under Secretary.

ADDRESS OFFICIAL COMMUNICATIONS TO
THE SECRETARY OF STATE
WASHINGTON, D. C.
