MEMORANDUM FOR AFSA-OOT

SUBJECT: Cooperation with GCHQ in regard to action required on
insecurity of French communications

Reference: USCIB 14/112, 8 Jan 1951

1. Pars. 7(b), (c), and (d) of the reference set forth certain GCHQ proposals on the subject. These include the independent working out of AFSA and GCHQ plans to be brought together at a BRUSA conference to be held early in 1951.
2. The following AFSA Ad Hoc Committee is appointed to collect the necessary technical data required to work out the AFSA plans and to prepare ^{that} ~~those~~ plans:
 - Mr. William F. Friedman, AFSA-OOT, Chairman
 - Mr. Frank B. Rowlett, AFSA-O2A1A
 - Dr. A. Sinkov, AFSA-O4T
 - Lieut. Col. R. H. Horton, AFSA-12
 - Capt. T. H. Dyer, AFSA-14
3. In studying this subject, consideration should be given to the fact that there probably are other governments than the French with which the U. S. is now allied, or may in the near future be allied, and whose communication security practices should also be studied from the same points of view as those involved in the situation as regards the French.
4. The Ad Hoc Committee will draft a report, embodying the AFSA plans, which I, as USCIB Coordinator, can submit to USCIB.
5. It is requested that every effort be made to complete the draft report by 5 February 1951, inasmuch as I would like to submit it to USCIB at its next regular meeting, which is scheduled for 9 February 1951.
