
TO: PERS (NEARC) FROM: S/ASST, (Mr. Friedman) 3 July 1954 Comment No. 4
60493/can

1. As Executive Secretary, NEASAB, I consider Mr. Miller's membership on the Telecommunications Panel of the NEASAB sufficient justification for his retention as Consultant (WAB) at \$50.00 a day.
2. In addition, I requested more specific justification from R/D. This is attached for your information.
3. If the employment of Mr. Miller, or any other consultant for that matter, at \$50.00 a day, should be placed on a very frequent basis, it might be well to explore the possibility of placing such a consultant under a personal services contract.

WILLIAM F. FRIEDMAN
Executive Secretary
