CORRECTION SHEET

Page, Paragraph
of Final Copy

TEXT (Tentative and Final)

Page 4, Para 4
(5th line)

Tentative: "... that the JCS had assured themselves that ..."

Final: "... that the JCS had decided to assure themselves that ..."

Page 4, Para 5

Tentative: "... will cover all COSMIC or only COSMIC that is originated by the military."

Final: "... will cover all of the military communications of NATO countries or only the NATO communications originated by the military."

Page 5, Para 8

Tentative: "... no real analysis had been made of the military traffic problem and wondered ..."

Final: "... no real analysis (from a COMINT point of view) had been made of the military traffic, and wondered ..."

Page 5, Para 8

Tentative: "... Such an assumption would permit us to go along with the British view."

Final: "... In view of the JCS decision to improve the security of NATO military communications, such an assumption would permit us to go along with the British view."

Page 5, Para 9

Tentative: "... there was not enough traffic available to draw any valid conclusions."

Final: "... there was not enough military traffic available to draw any valid conclusions (from a COMINT point of view)."

Page, Paragraph
of Final Copy

TEXT (Tentative and Final)

Page 5, Para 10
(Last para)

Tentative: "MR. SHELDON said that would fall along the lines of the JCS decision and he couldn't go along with that language."

Final: "MR. SHELDON said therefore we would be following along the lines of the JCS decision and that he could go along on that line."

Page 6, Para 1

Tentative: "... his security hat on and it was his assumption that we had to get these machines out in order to improve our security."

Final: "... his security hat on. It was therefore his assumption, he said, that we had to get out the machines decided upon by the JCS, in order to improve our security in NATO."

Page 6, Para 2

Tentative: "MR SHELDON stated that the report said that no investigation had been made in that field, but that CIA did feel one was necessary."

Final: "MR. SHELDON repeated that the report said that no investigation had been made in that field, but said that CIA did not feel that one was necessary."

Page 6, Para 5

Tentative: "... wished to point out that such an appraisal did not exist."

Final: "... wished to point out that the basis for such an appraisal did not exist."

Page 7, Para 3

Tentative: "... have concluded that cryptographic systems are not sufficiently ..."

Final: "... have concluded that the cryptographic systems now in use are not sufficiently ..."

Page 8, Para 5

Tentative: "... difficult to say because there is no cooperation between cryptographic security in foreign nations and the cryptanalysis people. ..."

Final: "... difficult to say because it appears there is little cooperation between the communications security and the communications intelligence personel of the NATO nations."
