Dear John:

In reference to your letter of 11 May 1954, the plans for Mr. McPherson's subcommittee to meet on 20 May have been confirmed.

Your travel orders have already been mailed to you and they were issued for a two day period, even though the cover letter forwarding them asked you to arrive here on 21 May. Please ignore the latter and plan to be here around 8:45 a.m. on the morning of 20 May.

Sincerely,

WILLIAM F. FRIEDMAN  
Executive Secretary  
NSA Scientific Advisory Board
