COMMENT NO. 1

(b) Some broad functions necessary to execute the Emergency War and Disaster Plans and to sustain the Agency under emergency conditions are omitted.

3. In the light of the foregoing, it is suggested that:

(a) The next group who meet to discuss this problem include personnel who are familiar with the overall NSA mission and the Agency's War and Disaster Plans.

(b) The suggested list be expanded into a more complete list of critical NSA functions and that it be made more specific so that ultimately the names of personnel can be inserted into the list down to the level required for the successful execution of the Agency's War and Disaster Plans.
