Professor Saunders MacLane
McKart Hall
University of Chicago
Chicago 37, Illinois

Dear Professor MacLane:

I am sorry that the pressure of your other obligations precludes your attending the 20-21 May Panel meetings. It is expected that plans may be made at those meetings for future Panel activities. However, we will be able to bring you up to date sometime this fall after you return from your summer in Europe.

Sincerely,

WILLIAM F. FRIEDMAN
Executive Secretary
NSA Scientific Advisory Board
