Dr. Andrew M. Gleason
 B-24 Lowell House
 Cambridge 38, Massachusetts

Dear Andy:

General Canine has told me of your acceptance of his invitation to be a member of the Mathematics Panel of the National Security Agency Scientific Advisory Board. Both he and I are very pleased and do not think that this additional assignment will interfere materially with your work as a WAE consultant.

The next meeting of the Advisory Board itself will probably be held on 20-21 April. At that time a report on the panel membership will be submitted to the Board, together with some problems that can be referred for specific panel action. Subsequent to this Board meeting, the panel chairman, who are also members of the Board, will be able to confer with you on matters of panel organization and future activities.

Please don't fail to spare a few minutes for a chat with me the next time you come to Washington.

Sincerely,

WILLIAM F. FRIEDMAN
 Executive Secretary
 NSA Scientific Advisory Board

cc: AG
 C/S
 S/ASST (Mr. Friedman)

M/R: Acknowledgment of Dr. A. Gleason's letter of 22 Feb 54.
 Dr. Gleason accepts Gen. Canine's invitation to be a member of the Mathematics Panel of the NSASAB.
