

Subj: Office of Communication Security Representation  
on the Classification Advisory Panel

TO: C/S

FROM: S/ASST

DATE: 4 May 1953

COMMENT NO. 2

In my opinion the subject Panel should have permanent rather than ad hoc representation from the Office of Communication Security. I therefore concur in the request made in par. 1 of Comment No. 1 and suggest that, if you also concur, a revision of NSA Memorandum No. 10-61 be issued to include the representation indicated in par. 2 of Comment No. 1.

WILLIAM P. FRIEDMAN
