Dear Dr. Bruck:

I appreciate your cooperation in forwarding to me the completed clearance forms which were sent you in December and regret any inconvenience caused by your receipt of similar forms from Professor Cairns, a duplication which was unintentional.

I note that you appreciate that your having a number of relatives living abroad may present some complication in connection with your clearance, but since they are all located this side of the so-called "Iron Curtain," I do not anticipate any difficulty on this score. The period of investigation may be a little longer than usual but I shall keep you informed of developments.

Again, let me assure you of our appreciation of your cooperation.

Sincerely,

J. W. MENGER  
 Rear Admiral, US Navy  
 Vice Director
